PARENT GUIDE

COMMACK

GETS

CLEVER

COMMACK SCHOOL DISTRICT
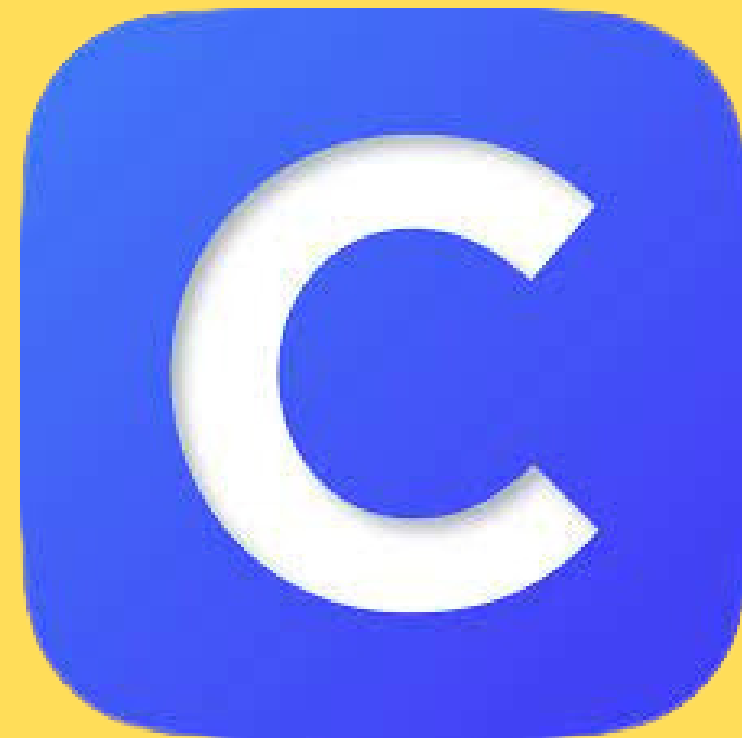

WHAT IS CLEVER?

IMAGINE CLEVER AS A MAGICAL DIGITAL BACKPACK FOR SCHOOL COMPUTERS. WHEN TEACHERS AND STUDENTS USE CLEVER, IT HELPS THEM ORGANIZE ALL THE DIFFERENT COMPUTER PROGRAMS THEY NEED FOR LEARNING.

INSTEAD OF SEARCHING FOR EACH PROGRAM SEPARATELY, CLEVER GATHERS THEM ALL IN ONE PLACE. SO, WHEN A STUDENT WANTS TO WORK ON MATH, THEY JUST OPEN CLEVER AND FIND THEIR MATH PROGRAM RIGHT THERE. IT'S LIKE HAVING A NEAT AND TIDY DESK WHERE EVERYTHING IS EASY TO FIND. THIS MAKES LEARNING WITH COMPUTERS MUCH SMOOTHER AND HELPS EVERYONE FOCUS ON LEARNING AND HAVING A GREAT TIME AT SCHOOL.

WHAT DOES THE SIGN ON PAGE LOOK LIKE?

THE CLEVER SIGN-IN PAGE IS A SIMPLE AND USER-FRIENDLY WEBPAGE DESIGNED FOR STUDENTS, TEACHERS, AND ADMINISTRATORS TO ACCESS THEIR EDUCATIONAL RESOURCES.
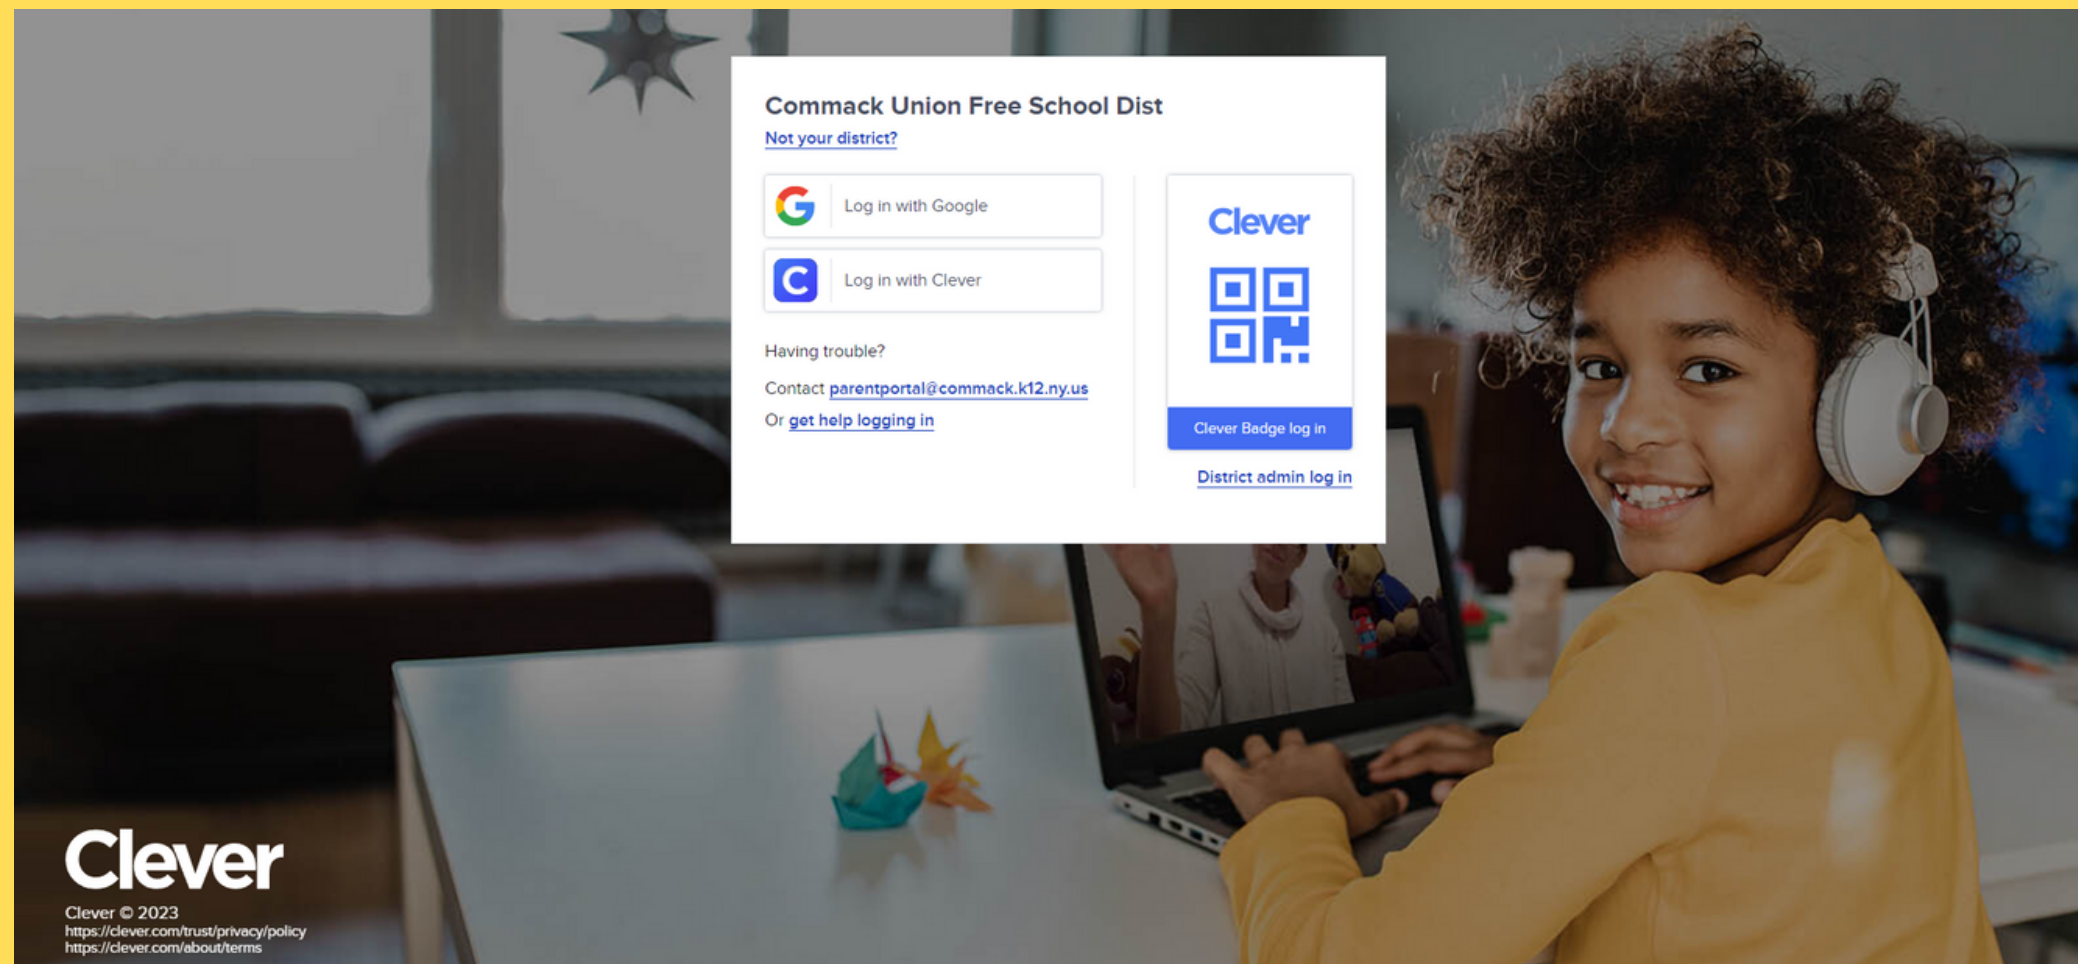

K-5 STUDENTS ARE ABLE TO LOG IN WITH A QR CODE CALLED A "CLEVER BADGE!"

CAN WE USE CLEVER AT HOME?

YOU SURE CAN!

- VISIT THE COMMACK WEBSITE
- YOU WILL SEE THE CLEVER ICON ON THE TOP RIGHT
- CLICKING THAT ICON WILL TAKE YOU TO THE COMMACK LOG-IN PAGE
- CHOOSE THE GOOGLE OPTION
- YOU WILL USE YOUR CHILD'S GOOGLE USER NAME AND GOOGLE PASSWORD TO LOG THEM IN
