August 2022

Dear Parents/Guardians of Current Sophomores and Juniors:

I hope you are enjoying the well-deserved summer months! Provided below is information pertaining to standardized testing options that will be available for your child as they begin to plan for post-secondary opportunities.

During the 2022-2023 school year, the following opportunities are available for test preparation:

- The Commack School District will continue our partnership with The Princeton Review and we will be offering SAT and ACT test prep at Commack High School for a significantly reduced fee.
- Free, online test prep options are also available:
 - Directly through the [College Board](#), in conjunction with [Khan Academy](#)
 - Method Test Prep, through your child's [Castle Learning](#) account.

For more information regarding these opportunities visit the Counseling Center website at:

<https://www.commack.k12.ny.us/SATandACT1.aspx>.

Click [here](#) to view a schedule of all SAT and ACT exams currently scheduled for the 2022-2023 school year. Although we cannot guarantee that your test center will be Commack, early registration increases the likelihood. It is strongly encouraged that you register for these exams as soon as possible through the College Board website, www.collegeboard.org, or the ACT website, www.actstudent.org.

If you have any questions regarding this information, please contact the Counseling Center at 912-2121.

Sincerely,

Nicole Kregler

Nicole Kregler
Director of Counseling
Commack School District
