Dear Wood Park Parents,

During the month of November, our students participated in our first Peaceful Bus Program lesson.

During our meeting, the children discussed the characteristics of a Peaceful Bus and then received an at-home assignment to brainstorm a name for their individual school buses. The names selected are listed below. We are also excited to share that we will be inviting our **second grade students** to apply for **Safety Patrol** this month! Please check Backpack News and your child's backpack tomorrow, December 9<sup>th</sup> for a Safety Patrol application.

Please take the time to discuss our lesson with your child. It is important that we work together to create a peaceful and safe atmosphere on all of our buses.

Thank you for your support with this program.

Sincerely,

*Mrs. Collison*
