Dear Wood Park Families,

I would like to thank you for another successful school year. Together we have created memorable experiences for our children. This year we were able to implement new activities for the children and families, thanks to the support of our PTA Executive Board, PTA committees, and the Wood Park staff.

Our second grade has left their legacy through the beautiful clay displays in the second grade hallway. Each PTA committee has truly dedicated their time and talents to the Wood Park children, and for that we are most appreciative.

May your summer be filled with sunny days and laughter. Remember the importance of enjoying special memories as a family. As stated by the late John Lennon, “Life is what happens when you’re busy making other plans.” We would like to congratulate our second grade class and wish them all the best next year as they move on to third grade.

We look forward to seeing everyone in September!

Sincerely,

Michelle Collison
Dear Families,

As we approach the end of another school year, the students and staff at Wood Park are so proud of all that they have accomplished and are excited about what awaits them in the future. We hope they continue to practice the 7 Habits, both in and out of school.

The Character Education Committee would like to inform you that every class will be gifted *Happy Dreamer* by Peter Reynolds. This empowering book reinforces Habit 1 - Be Proactive and Habit 2 - Begin With the End in Mind. The story reminds children of how much their dreams matter and how we are all in charge of our own happiness. We hope this book inspires you and your children to keep dreaming all summer and beyond!

*We wish you a happy and healthy summer vacation!!*

Sincerely,

The Character Education Committee
