September 2016

Dear Parent/Guardian,

Our students participate in physical education activities and outdoor recreation on a daily basis. In the interest of keeping our students safe and healthy, please review the following information.

Platform shoes, crocs, sandals and flip flops have become a very popular choice of footwear. These types of shoes pose a danger to children engaged in active play, and compromise their balance and coordination. For safety reasons, a student will not be permitted to wear flip flops to school.

Sneakers are definitely the preferred footwear for school. If children wear rubber soled shoes other than sneakers, they must have a closed toe and closed back around the ankle. Be aware that students must wear sneakers in order to participate in physical education.

The safety of our students is our primary concern. Thank you for your support.

Sincerely,

Site-Based Management Team
