

September 2020

Dear Parents/Guardians and Students,

Welcome to a new school year at Rolling Hills Primary School! Some of you may know me as the teacher in the Computer Lab. I am so excited to be on the kindergarten grade team this year and I hope you are just as happy to be coming back to school! The other teachers and I are so excited to be back at school, and I can't wait to meet you all! This is going to be a very rewarding year. We will learn many wonderful things, make new friends, and of course have fun! I can't wait to see how much you will grow.

Parents, I also welcome *you* to a new school year. I am looking forward to working together with you and the other first grade teachers throughout the year so that I can best support your child academically, socially, and emotionally. You know your child best, and a strong home-school connection will be essential to your child's success. I am sure we will have a wonderful year nurturing your child together. It may feel slightly different than usual, but as always, we can get through anything when we work together.

I am looking forward to seeing you on the Welcome Zooms on September 9th. I can't wait to meet you! Enjoy the rest of your summer!

Sincerely,
Mrs. Condello
