

Welcome to Kindergarten!

Dear Parents and Children,

Welcome to kindergarten at North Ridge Primary School! My name is Lara Sherman. I will be your child's kindergarten teacher. I am so excited to start the school year! I am anticipating a wonderful and exciting year with you and your child.

With your encouragement and participation, I know your child will have a very rewarding academic year. I believe that as a parent, your involvement is essential to your child's success in school. I am sure that together we will build an environment that is warm and nurturing.

Tuesday, September 3, 2019 is visitation day from 10-12. It will be a fun opportunity to come and see the classroom where we will be growing and learning all year. You will also get to meet some new friends and see some you might already know.

If you are purchasing school supplies, be sure not to label anything. I will take care of labeling necessary items.

I am looking forward to meeting you!

Sincerely,

Ms. Lara Sherman
