

Welcome Back from the CHS PTA

It seems like just yesterday that our children were cleaning out their lockers and here we are gearing up for a new school year! The Commack High School PTA welcomes all students, faculty and families back to what we hope will be a productive and exciting new year.

The high school PTA is committed to making a difference in the education, health and safety of our children. We join together our parents, teachers, staff and community on many levels to bring engaging and educational programs and opportunities to the students. The PTA works closely with teachers and staff to make sure these programs expand on the curriculum, both academically and culturally. PTA also acts as a liaison between families and faculty in order to keep everyone informed and working best together.

Please check the CHS PTA website regularly. It is located on the HS website along with the teacher websites. It is also easily accessible through the Commack SD App. We will be keeping you abreast of the happenings in the PTA. In addition, please feel free to email us at commackhspta@gmail.com.

I personally invite you to join our PTA. Our membership flyer can be found on our website and in this mailing. Please consider joining! Membership is our largest source of funding. Your membership helps to fund **valuable educational programs** as well as **scholarships for graduating seniors**. In fact, if you are so inclined, on the Membership flyer you can make an additional donation to our Scholarship Fund which directly funds scholarships for our graduating seniors.

Please join us at our PTA meetings. You will gather a great deal of information and spend time speaking with the Principals and discussing the issues that matter most to you. The dates for our meetings are:

September 12,
March 12,

November 14,
April 23,

January 16,
May 14.

Your contribution, whether it is time, talent, or resources, makes a difference. I wish you a year of good health, good children, and good learning.

Respectfully,
Angela Cicalo
