

Wings of CHANGE

Our mascot: **Gus the Dragon**
has one problem:

He has no wings!

Please help Gus earn a pair of wings!

Collect spare change and donate to help fund Long Island Cares' island-wide children's nutrition programs.

Now through April 15

The top three schools that collect the most amount of spare change will get to meet

Gus in person...

and get an exclusive first look at Gus with his new wings!

BECAUSE IT TAKES MORE THAN FOOD TO FEED THE HUNGRY

Long Island Cares has programs across Long Island to help feed food insecure students of all ages.
