

August 2020

Dear Student,

Welcome to Kindergarten! My name is Ms. Gandolfi and I will be your kindergarten teacher. I can't wait to meet you! I am so excited to hear that you are in my class! This year, our class will be split in 2 sections, an A group and a B group. When you come in on the first day, you will come ALL the way down the hall. The students in the A group will go to Room 1 (look for the light blue flag) and the students in the B group will go to Room 2 (look for the purple flag).

I am looking forward to a new school year! I have been fixing up our classroom and getting everything ready. During our year together, we will be very busy making new friends, meeting new teachers, and learning a lot of new things.

I hope you are as excited as I am about meeting each other. There will be a 'Welcome To Kindergarten Zoom' on Wednesday, September 9 at 9:45 AM. The Member ID is 8184053884 and the password is gandolfi. You will get a chance to meet me and some other teachers that will be part of our team.

Please bring your supplies on the first day of school. If you ordered the Supply Kit through the PTA, your supplies are already in the classroom. Take the supplies out of their packages and be sure to label them before you bring them in. You will have your very own desk to store all of your supplies in, but sometimes things get lost, so it is always helpful to have everything labeled with your name. Remember to also bring your lunch, a snack and extra change of clothes all bagged separately and labeled with your name.

You are going to have snack every day, so please be sure to pack a healthy snack and drink, beginning on the first day of school. It will be helpful and safe if you bring packages and containers that you can open and close yourself.

Enjoy the rest of your summer and I am glad to have you as part of our class!
See you soon!

Kindly,
Ms. Gandolfi and
The Kindergarten Team
