April 8, 2019

Dear Parents/Guardians,

We are excited to inform you of our upcoming season for the arts. On April 30th, we will hold our first of five musical concerts and art exhibitions. On the back of this letter, you will find a list of the groups which will be performing on each of the specific dates.

To give our children all that they deserve, we will as always insist that, if you choose to attend the concert, you remain in the audience until the concert is over. We recognize that some wish to stay at a school concert only for the performance of their child. However, when people in the audience enter and leave the auditorium, they disrupt the concert and interrupt others who are trying to listen to their child's performance. We are certain you would agree that our children work incredibly hard to perform well and that they *all* deserve our attention, our respect, and a full audience.

Our concerts begin promptly at 7:30 p.m., and all will last approximately one hour. Please also know, barring an unforeseen emergency, *no performing student will be permitted to leave a concert.*

If you are unable to attend your child's concert, each concert will be streamed live on our Commack website: www.commackschools.org and will remain available on the website afterward.

We truly appreciate your anticipated cooperation and your efforts to help us support our children with full audience attendance and the requisite respect for all students' performances. On behalf of your child and all our children, we thank you.

Sincerely yours,

Michael K. Larson
Principal
